Summary

On February 25, 2016, at the request of Jeffery Levingston, Levingston & Levingston, I personally inspected the assets of Williamson & Williamson Farms Partnership, P.O. Box 591, Drew, Mississippi.

Value

Fair Market Value

The Fair Market Value for the property in total is:
\$1,935,900.00

This is not the appraisal report. The appraisal report must be read in its entirety.

Analysis

Comparable Sources

The following sources were utilized to establish the values stated within this report.

Taylor Auction & Realty, Inc. Auction Results 2015
Hotline Farm Equipment Guide, Volume 1 2015
Ritchie Brothers Auction, Auction Results 2015
Machinery Trader Publication, Auction Results - 2015
Outlook Machinery Guide, 2015

Condition

The conditions of the equipment within this appraisal are as follows: New (less than 120 days from purchase); Excellent (Relatively new or recently purchased); Very Good (Machinery that is above average in condition); Good (Average); Fair (Operational with some maintenance); and Poor (In need of repair).

Comparable Information

The comparables utilized to support the values stated within this report were taken from actual sales within the last 12 months. The fair market values are supported by replacement cost with regard to various factors such as condition, location, etc. . .

Hours on equipment

No hour meter replacement is evident. Replacement of the hour meter would alter the true state of the item. N/A in regard to hour meter stands for Not Available.

Vehicle Identification Number Disclaimer

The appraiser has examined and provided serial numbers and vehicle identification numbers to the best of his ability. Due to the natural elements that the equipment is exposed to as well as human error, the appraiser does not guarantee the validity of the serial numbers or vehicle identification numbers.

Conditions of Appraisal

The value stated in this Appraisal Report is based on the best judgment of the appraiser given the facts and conditions available at the date of the valuation. An appraisal should not be the price to be paid. An appraised value is an estimate of value that may be used to form a basis of negotiation between interested parties such as owner and prospective purchaser, lender and borrower, condemner and condemnee. Prices paid and awards made often reflect sentiment, compassion, sympathy, bias, politics, personal interest, specific needs and other factors not considered by the impartial appraiser.

The use of the report is limited to the purpose of determining the value of personal property for loan collateral. Any additional research or testimony required by the client or the court will be billed at the current rates.

Disclosure of the contents of the report is governed by the Standards and Practices of the Certified Appraisers Guild of America.

Certification of Report

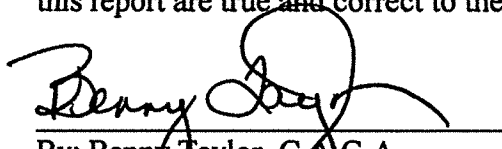

Neither Benny Taylor, Taylor Auction & Realty, Inc. nor any of its employees have any present or future interest in the subject property. No prohibited fee was assessed in this report.

Benny Taylor of Taylor Auction & Realty, Inc. has successfully completed the personal property appraiser certification program with the Certified Appraisers Guild of America and is a member in good standing. This report was prepared in accordance with the Uniform Standards of Professional Appraisal Practice and with the Standards and Practices of the Certified Appraisers Guild of America which has review authority of this report.

Benny Taylor will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.

The appraiser obtained the information, estimates and opinions expressed in the appraisal report from sources that he considers being reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.

Benny Taylor has personally examined the subject property. The statements of fact contained in this report are true and correct to the best knowledge and belief of the appraiser.

Tax ID # 64-0878272

Purpose of the Report

The purpose of this report is to determine the value for Loan Collateral purposes for Levingston & Levingston, Cleveland, Mississippi.

Method of Valuation

The method of valuation used for this appraisal is the Fair Market Value.

Definition of Value

Fair Market Value

Under the United States Treasury regulation 1.170-1c Fair Market value is defined as:

The price at which the property would change hands between a willing buyer and a willing seller, neither being under compulsion to buy or compulsion to sell and both having reasonable knowledge.

Basis of Appraisal

Valuation Date

The date of valuation for determining the value estimation is February 25, 2016.

Date Appraisal Conducted

This appraisal was conducted on February 25, 2016.

Limitations of Property

There were no limitations on use or disposition of this property.

Description

An itemized list with descriptions is in Appendix A.
